MET INSTITUTE OF INTERNATIONAL STUDIES

The MET Institute of International Studies (MET IIS) offers an undergraduate program that blends empirical and experiential learning, fostering a diverse student community. MET IIS prepares students for success in a rapidly evolving global landscape. Affordable and accessible, they provide an opportunity to earn a prestigious international degree while studying in India.

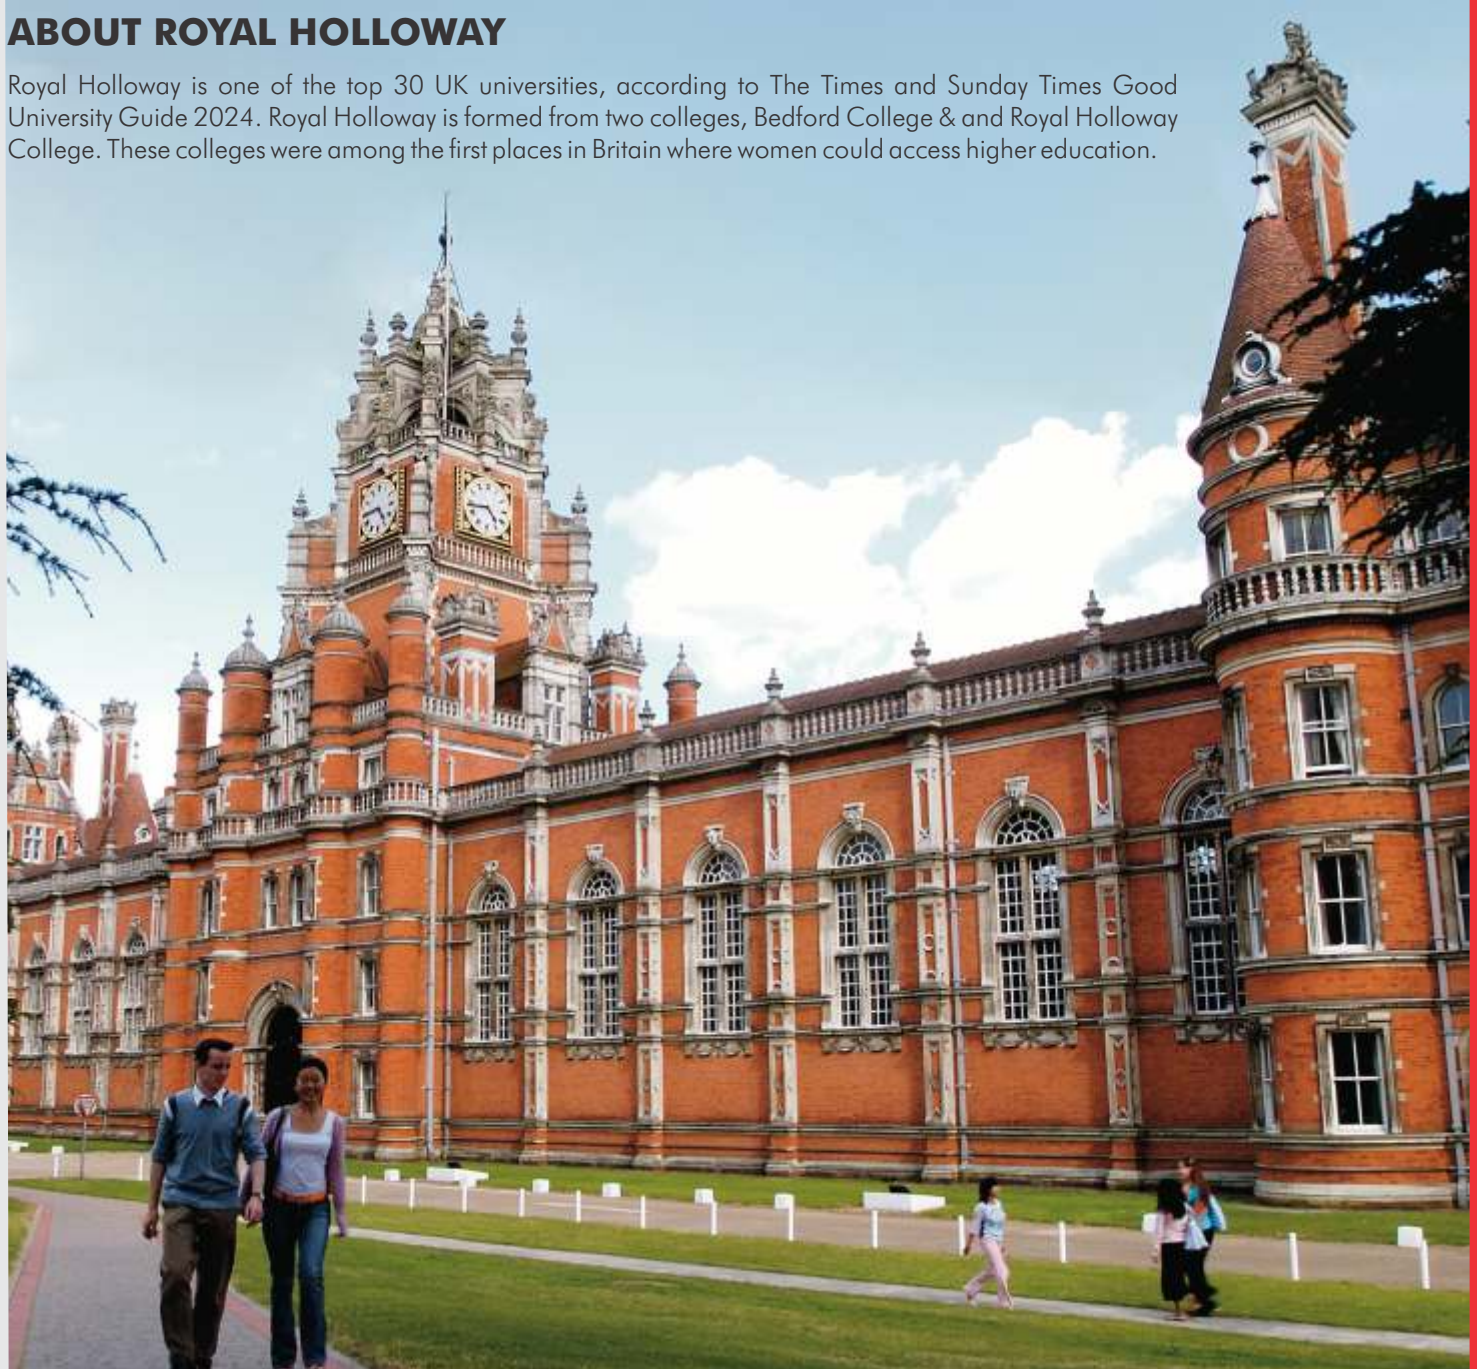

These globally recognized programs connect students to a global alumni network, enhancing career opportunities and developing leadership skills with a global perspective.

MET IIS is committed to making world-class education accessible to Indian students. In today's interconnected world, where global and local strategies converge, MET IIS has partnered with esteemed institutions like the University of London to deliver internationally acclaimed qualifications, empowering students to thrive in a dynamic global environment.

ABOUT ROYAL HOLLOWAY

Royal Holloway is one of the top 30 UK universities, according to The Times and Sunday Times Good University Guide 2024. Royal Holloway is formed from two colleges, Bedford College & and Royal Holloway College. These colleges were among the first places in Britain where women could access higher education.
