About PGP EMBA-Insurance

MET, India's premium B school and the CII (Chartered Insurance Institute), London, the world's most reputed insurance body, have together devised a PG programme that will shape global insurance professionals in India.

PGP EMBA-Insurance programme's technical contents have been developed by the CII, London. This, coupled with the management and business modules designed by MET, will deliver unrivalled specialised education in an industry that's poised for phenomenal growth.

The global professional with the double edge is here!

Post graduate students can now get the best of both worlds. Not only will they have the double advantage of mastering an eMBA and Insurance, but they will also get the edge in placements. Because when you are razor sharp on both sides, you can cut across the world. 150 countries, to be precise.

The International Edge

- 'Chartered' status and 'ACII' designation from the CII, London • PGP EMBA-Insurance Certification from MET, Mumbai • Advanced Diploma in Insurance from the CII, London • Optional Educational tour to Lloyds, London

Eligibility: A candidate seeking admission must be a Graduate in any discipline from a recognised university, approved by the University Grant Commission (UGC). In the case of foreign nationals, the university must be approved by the respective state/country. Those who are appearing for the final year of Degree Examination in the current year, can also apply. However they must produce documentary evidence of having passed the examination on or before the commencement of the programme, failing which their admission will be liable for cancellation.

Admission Procedure

Candidates applying for this programme will be selected on the basis of:

CATEGORY 1

MET - MCT + Aptitude Questions and Statement of Purpose – SOP on video (Online Interview only if required) + Academics Performance + Other Parameters

CATEGORY 2

MH-CET, CMAT, XAT, CAT, ATMA, GMAT, NMAT, MAT + Aptitude Questions and Statement of Purpose – SOP on video (Online Interview only if required) + Academics Performance + Other Parameters

MET - Management Congruence Test

MET - MCT is specifically designed to assess the suitability of students for various management careers. These tests establish scores on emotional balance, extroversion, adaptability, congruence and ethics. There are no right or wrong answers. The candidates are to describe themselves honestly and as accurately as possible.
